My Learning Journey BETA

Become a Rapid Developer

Rapid Level • 4.8 ★ (3.5K) • ⌚ 16.0 Hrs • 📁 10 Modules • 🔗 Version 11.0.0.73100

This learning path will teach you how to create awesome apps using low-code.

If you have a business analyst focus or starting your journey, this is your path. If you are already an experienced developer and want to see what low-code brings to the table, please look at the [Crash Course](#) for experienced developers.

Get ready to have some fun, Mendix style!

Studio Pro Version

11.0.0.73100

Completed

You have successfully completed this learning path.
